

Terms and Services To Work With Keri

I am not a doctor and do not diagnose or treat disease, nor make recommendations regarding medical treatment or medications. My method of treatment, holistic health coaching and nutrition consulting, is alternative or complementary to healing arts that are licensed by the State of Texas. You understand that Keri Gassaway requires your plan to be paid in full at time of booking.

These terms are binding once payment has been submitted. I do not offer refunds on coaching services. I am here to coach you to your highest level of success, and part of that is requiring a commitment from you that you are fully invested in your coaching package. When refunds are an option, you can have "one foot in" the work, and "one foot out" the door. It is to YOUR benefit to decide BEFORE purchasing your package and committing to work with me that I am the right coach for you. If you're in, you need to be 100% in, just as I will be for you. You understand that this policy is to honor the time and energy required to prepare for the scheduled session, and by submitting payment you have agreed to this.
